Yamil and Trish,

Please see below from a disappointed adult swimmer in Hollywood. What can be done to allow for lap swim time for adults at the Hollywood Pool, during the week?

I'm sure there's more to the story, but it would be great to include this for interested swimmers! Please advise.

Thanks,

Dan Halden

Hi Dan,

I'm one of the residents in the new houses at Hollywood/ Gramercy.

I'm not sure if the Hollywood pool falls into District 13? It's at [1122 Cole Ave](#)

<https://www.laparks.org/aquatic/summer/hollywood-pool>

It's only open in the summer, but since it was beautifully refurbished a couple of years ago, they've always had some time available for lap swimming inbetween the kid-friendly recreational hours. I look forward to it every year! Last year it was 5-6p Mon-Fri, and 12-1p on Sat/ Sun.

I just called to get the hours for this year, and was told that they're not having any adult lap swim during the week, just recreational swim. While I appreciate that kids enjoy a pool on a hot day, plenty of us adult residents enjoyed the pool last year too.

Apparently they're still deciding whether to have any lap swim time at the weekends, it sounds like the pool staff want to, but they're waiting for the city to say yes or no. I've emailed the aquatics department to politely request it, but I know they have over 50 facilities they're juggling.

Is this something Councilmember O'Farrell's office has any sway over? I know there will be a lot of grateful and appreciative adults if we can have at least some weekend lap swimming this summer.

Many thanks, Jack
